Simple Chicken Seitan Recipe

This recipe is extremely simple to make, even though it looks daunting from the outset. I would recommend making one or two portions of the full recipe at the start of the week when meal prepping. It stores well in the freezer if you fancy making enough to last a month!

Serves 8

Prep time: 15 minutes

Cook time: 35 minutes

INGREDIENTS

- 400g (14.1 oz) can cannellini beans, liquid included
- 2 tsp garlic powder
- 1 tsp onion powder
- 1 tsp paprika
- 3 tbsp nutritional yeast
- 4 tbsp olive oil
- 1 tbsp miso paste
- 380g (13.4oz) vital wheat gluten
- 349g (12.3 oz) silken tofu
- 1 tsp salt
- 1 Knorr vegetable jelly stock cube

METHOD

1. Prepare the baking tray:

- Fill a large, deep baking tray with water, around half an inch, and set a wire rack on top, making sure it doesn't touch the wire rack. The type that you use for cooling baked goods would be perfect here.
- Bring it to a boil.

2. Blend all ingredients:

- Use a food processor to blend all ingredients except the vital wheat gluten, creating a paste.
- Add vital wheat gluten and pulse until a ball of dough forms. Pulse for 20-30 more seconds to work the gluten.

Recipe Continues

3. Wrap the seitan in foil:

- Divide the mixture into two portions and spread each half about half an inch thick on separate pieces of foil.
- Wrap each piece with the foil you placed it on.
- Place the wrapped seitan on the wire rack on the steaming tray.

4. Get ready to steam:

- Once water simmers, cover the tray fully with another large piece of foil (or use 2 pieces if needed for complete coverage) to create a steaming environment.
- Tuck the foil in around the edges of the top edge of the tray as much as possible.

5. Steam the seitan:

- Reduce heat to the lowest setting. Steam for 15 minutes on one side, then turn and steam for another 15 minutes. Seitan should feel firm and not doughy.
- If needed, steam for an additional 5 minutes.

6. Allow to cool and serve:

- Remove from foil and allow to cool fully.
- Store in the refrigerator for a week or freeze for up to 3 months.
- Enjoy by tearing and frying, or marinating with your favorite spices.
